Peace Camp is about creating oneself and community in a positive nurturing environment. Peace Camp was birthed out the desire to engage our young people early with values that are counter to the violence they are exposed to daily. By focusing on enhancement of self-esteem, conflict resolution, critical thinking, fiscal literacy, and anti-bullying, the campers will experience the opportunity to create and maintain a healthy, constructive, and balanced lifestyle. Peace Camp is designed for ages 9 - 13.
